Owner Salary Normalisation

The owner remuneration paid is compared with a market replacement cost to determine the adjustment applied to profit.

OWNER SALARY NORMALISATION			
CALCULATION	**Year 1 30/06/2024**	**Year 2 30/06/2025**	**Year 3 30/06/2026**
Actual owner salary paid	$48,000	$60,000	$84,000
